

Sums for Spring competition

April 2021

TERMS AND CONDITIONS

1. The Sums for Spring competition to win one of 12 prize bundles is run by Sparx Limited (Sparx). There are £600 worth of Amazon vouchers to be won – a £100, £30 and £20 will be given out each week of the competition. Each winner will also be given a year's free subscription to Numerise.
2. The competition will run throughout April with a new winner being chosen at the end of each week. To enter, entrants must create a Numerise account (trial account or paid account) and enter the competition – for new users, this will be done by creating an account and for existing users, this can be done on the 'My goals' page. Parents/carers can also enter on their learner's behalf. Then, the learner must answer 30 questions correctly in a week to be eligible for that week's prize draw. The competition weeks are as follows:
 - Week 1: 5/4/21-11/4/21
 - Week 2: 12/4/21-18/4/21
 - Week 3: 19/4/21-25/4/21
 - Week 4: 26/4/21-2/5/21
3. There is no entry fee for the competition.
4. Learners must be over 13 to enter themselves. Parents/carers can enter their learners (both under and over 13) into the competition from within their account, too.
5. By entering the competition, you agree to these terms and conditions.
6. Multiple registrations or entries by or on behalf of any one learner in each week will not be accepted.
7. Sparx may email entrants with information regarding the Sums for Spring, but nothing else unless you have specified otherwise.
8. Sparx will contact each winning entrant in the week following the prize draw that they have won.
9. Sparx reserves the right to substitute the prize bundles with prize bundles of equal or greater value. No cash alternative to the prize bundles is available and the prize bundles are non-transferable.
10. The winning entrants will be chosen at random and Sparx' decision is final.
11. Sparx reserves the right to hold void, suspend, cancel or change the competition where it becomes necessary to do so.
12. Sparx will process personal information for the purposes of running this competition, including assessing the time spent and questions answered using Numerise by entrants. For more information please see the Numerise [privacy policy](#).
